

Please Note: Due to the porous surface and texture of foam, bold sharp art provides the best quality imprint. Please be aware that some detail and fine lines may have to be altered to provide a legible imprint. Darker inks generally result in a better imprint quality. Due to ink absorption, white ink lacks opacity and standard colors appear darker. Puff may be added at our discretion.

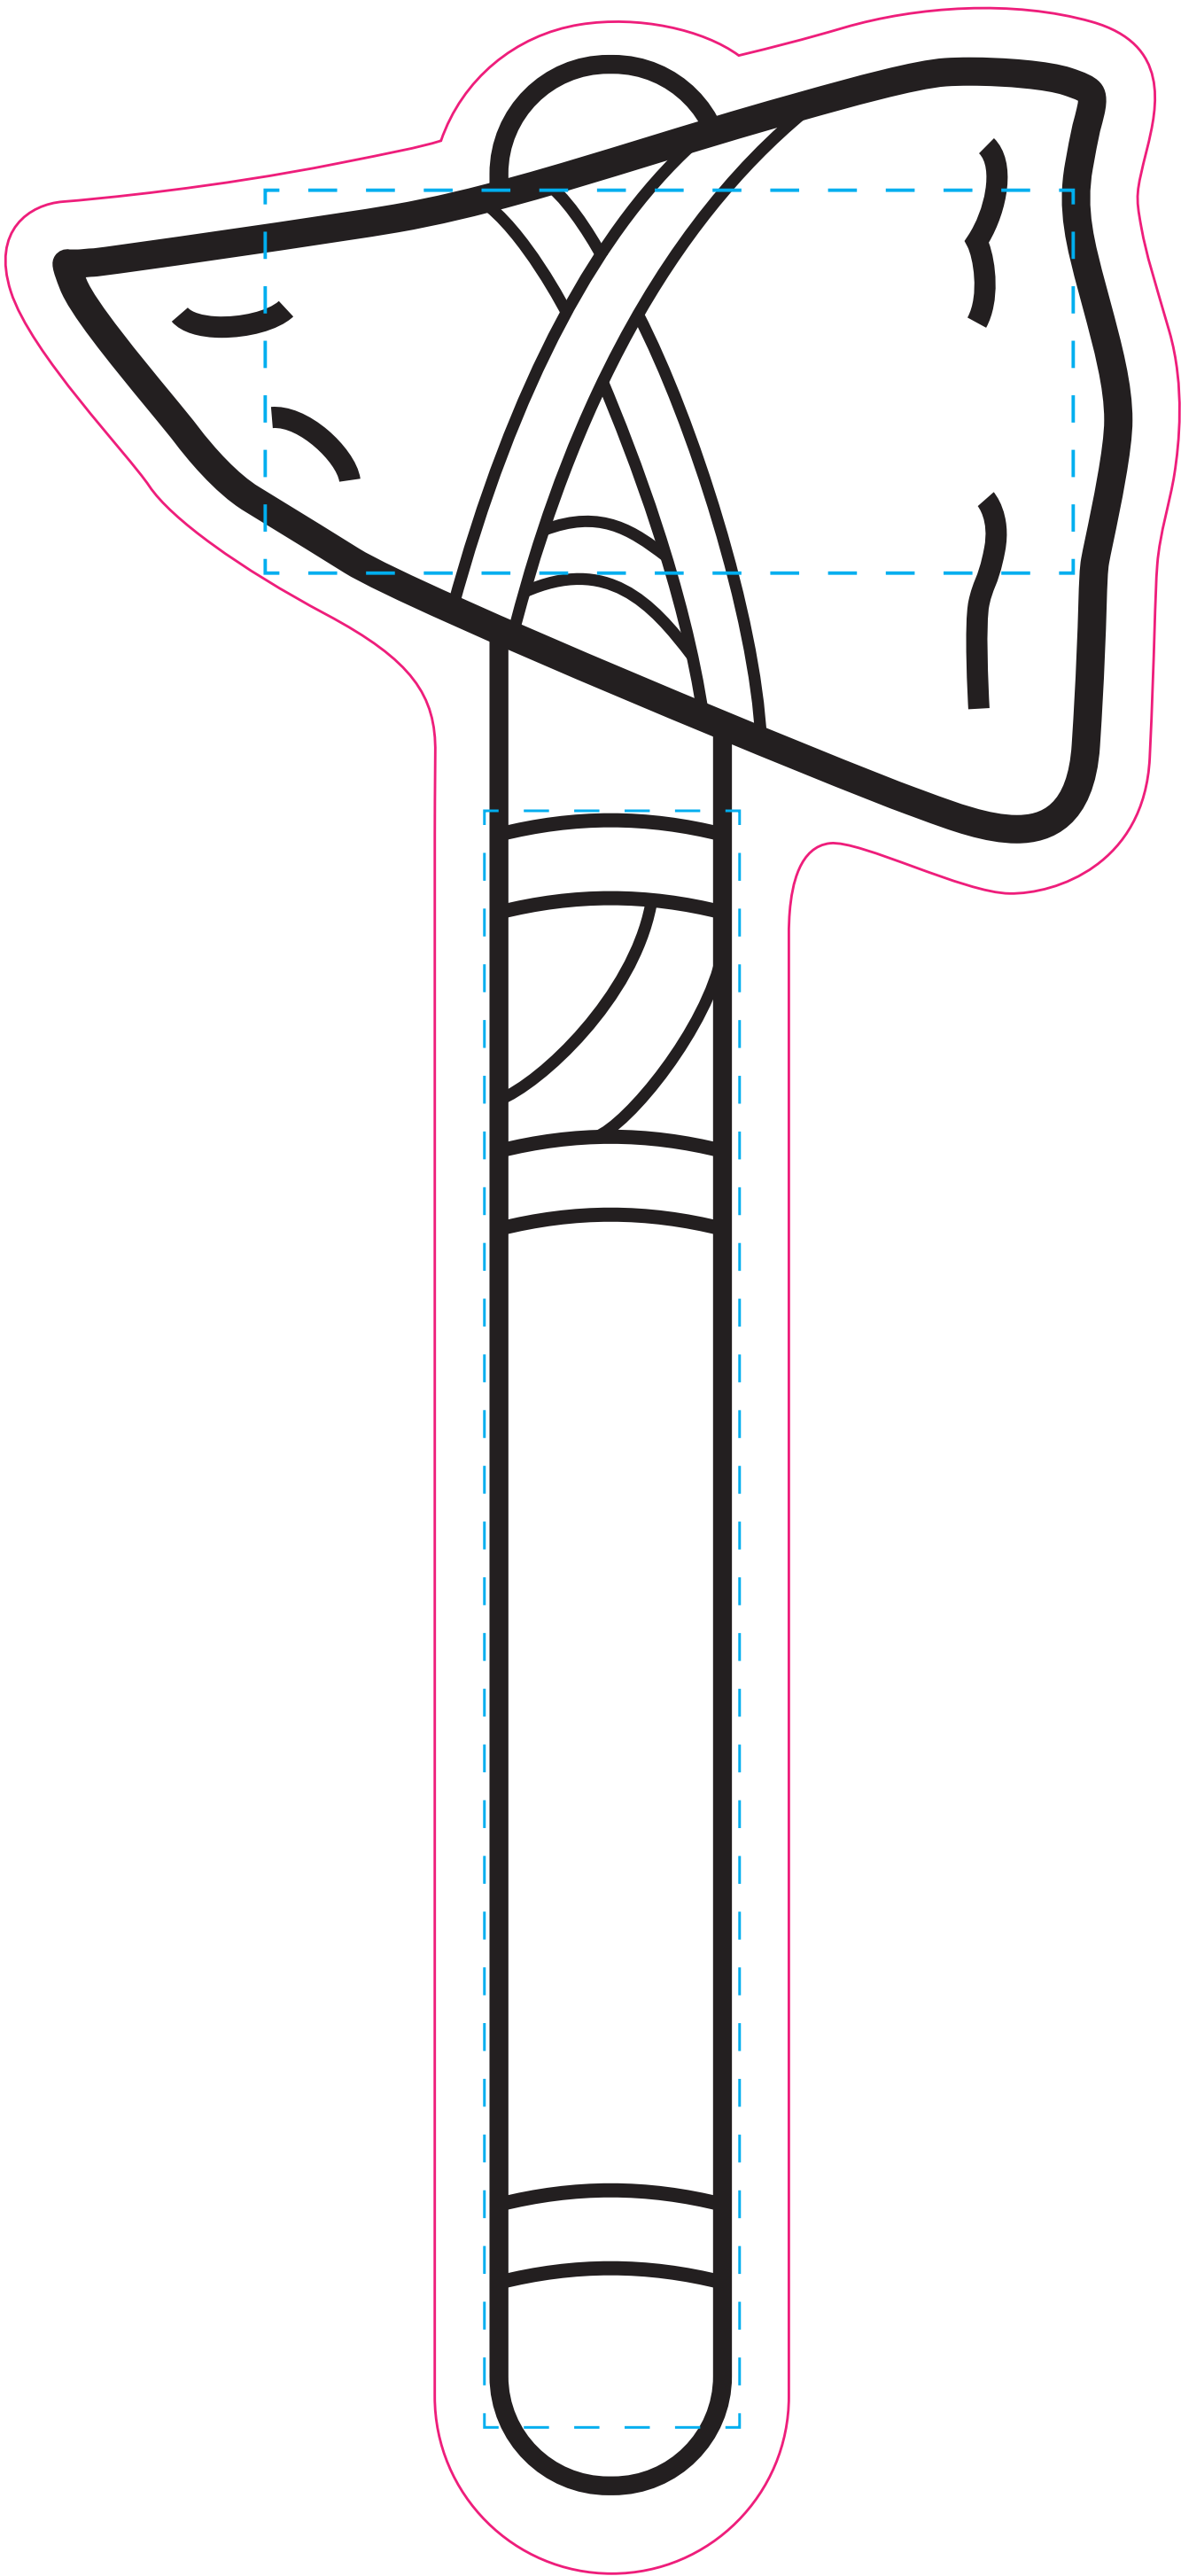

SIZE: 15" x 7"

Imprint Area: 4.75" x 2.25"

1.5" x 9.5"
